

It's an Elephant!

Monkey 1: Hello! I'm going on a walk in the jungle. I hope I don't see an elephant on my walk! I'm scared of elephants!

-----**Puppet theatre curtain rustles.**-----

Monkey 1: What was that? I hope it wasn't an elephant!

-----**Monkey 2 appears.**-----

Monkey 1: Jumps and screams. Ahhhhhh!

Monkey 2: Oh, I'm sorry. I didn't mean to scare you.

Monkey 1: It's okay. I was only scared because I thought you were an elephant. I'm scared of elephants!

Monkey 2: Why are you scared of elephants? Have you ever met an elephant?

Monkey 1: No, I haven't met an elephant. I don't even know what an elephant looks like.

Monkey 2: I know what an elephant looks like! Elephants are very big.

Monkey 1: Oh no!

Monkey 2: But as long as you don't make them angry, elephants are very gentle and kind. And elephants have two big teeth called tusks.

Monkey 1: Big teeth!?! Those are better to eat me with!

Monkey 2: Don't worry. Elephants don't eat monkeys. Elephants eat plants! And they have big ears that they wave back and forth like a fan to keep cool.

Monkey 1: I wish I could wave my ears like fans.

Monkey 2: And the one thing that you absolutely must know about elephants is that they have really unusual noses.

Monkey 1: They have an unusual nose?

Monkey 2: Yep! Their noses are very, very long. And when an elephant wants to, he can use his nose to make a sound like a trumpet!

Monkey 1: Wow! That's pretty cool! I like elephants!

Monkey 2: See, elephants aren't so scary! Well, I'm going to go find a banana. Bye-bye!

Monkey 1: Bye! Thank you for teaching me about elephants. Elephants may be big, but they're gentle and they eat plants. And they have funny ears that they use to keep cool. And they have noses that sound like trumpets! Elephants aren't scary at all!

-----**Puppet theatre curtain rustles**-----

Monkey 1: Uh oh! Someone's coming! It's a... It's a...

-----**Elephant pops out**-----

Monkey 1: IT'S AN ELEPHANT!!! AHHHHH!

-----**Monkey 1 disappears**-----

Elephant: Was that a monkey? I'm scared of monkeys!

-----**Elephant disappears**-----
